Getting Back To Our Roots

Sault Area Hospital Foundation
ANNUAL REPORT 2007 ~ 2008

Message from Gus Palombi, President and Cheryl Pavoni, Executive Director

Augusto (Gus) P. Palombi,
Board President

Cheryl Pavoni,
Executive Director
& Treasurer

Dear Friends of the Foundation,

After completing a successful New Hospital Campaign and raising over \$28 million to date, the Foundation has been hard at work on its Annual Giving Campaign. The hospital's Capital Approval Committee recommended over \$1 million worth of equipment needs for 2007-2009. It is important to note that dollars raised by the Foundation are disbursed for equipment only, not operational costs, for the Sault Area Hospital, Thessalon and Matthews Memorial Hospital.

This year our focus was more on our Gift Planning Program and developed a "Building a Bridge to the Future" Legacy Society. Donors that are members of this Society will be recognized for their deferred gifts, usually through a bequest.

New to the Foundation this year, a committee was formed to start planning and implementation of donor recognition activities in our new hospital. It is important that our current plaques on the Celebration of Life and Beacon of Hope donor walls be brought with us to the new hospital.

Our existing Board members and staff would like to welcome our new Board members that started last year. We recruited Terry Dunn from Community First, Dan Theriault from Meakin Forest Enterprises and Gabe Stefanizzi from BDO Dunwoody. We appreciate your expertise and support.

We invite you to browse through the pages of this report as we reflect on how generous our community has been over the past year. The Foundation appreciates the donations that the community has made, whether it be in memory or in honour of someone, to our direct mail campaigns, to our Major Gifts Program, by attending events such as Chilifest, purchasing "5 Car Draw" tickets, or being part of our *Friends Forever Monthly Giving Program*.

When you support your Hospital by being connected to your community and **getting back to your roots**, our excellent staff, culture of excellence and modern technology and equipment, all help to provide good patient care.

Some people have asked if we are done fundraising since over \$28 million has been raised. The answer to that question simply is - our work is never done at the Sault Area Hospital Foundation - **year after year there are new equipment needs**. In the years leading up to the New Hospital Campaign, the Foundation raised over \$9.6 million. Our patients are the ones that ultimately benefit from your generosity - THANK YOU!

Gus Palombi, Board President

Cheryl Pavoni, Executive Director & Treasurer

Please Note:

Our sincerest appreciation to all of you who have expressed to us your wish to remain Anonymous.

The Foundation has made every effort to ensure that all who have donated a minimum of \$250 to the Sault Area Hospital Foundation between April 1, 2007 and March 31, 2008 have been recognized in the Annual Report. We extend our deepest apologies for any errors or omissions and ask that you notify our office so we may make the correction.

Donor recognition in our Annual Report is based on the total amount of donations during a single fiscal year while the donor recognition plaques that are placed on our "Beacon of Hope Wall" are based on a donor's lifetime giving (*of \$1,000 or more*).

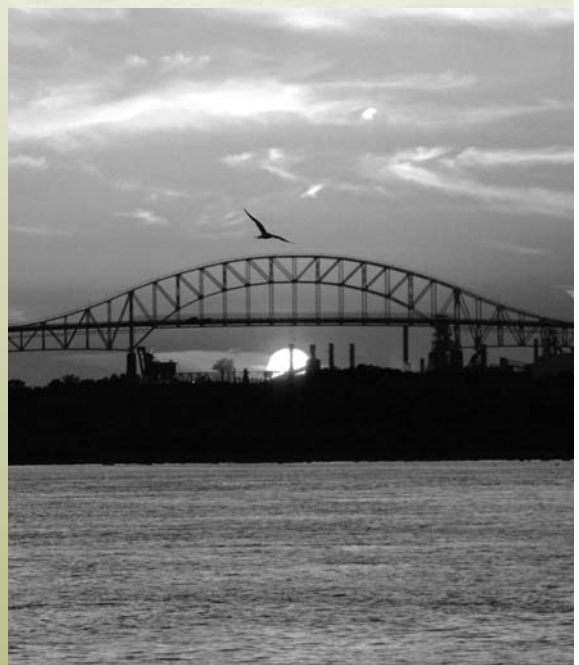

SAHF

Building A Bridge to the Future

This year saw the official launch of our **Gift Planning Program** and its "Building A Bridge to the Future Legacy Society". Donors participating in our Gift Planning Program have a number of giving options available to them including: gifts of stocks, bonds, mutual funds, RRSPs, RRIFs, life insurance and the most commonly used - making a bequest in their will.

We are pleased to acknowledge the following bequests received during the period of April 1, 2007 to March 31, 2008. These estates represent compassionate individuals who had the forethought to leave a bequest in their will because they wanted to ensure that our hospital would have the equipment it needed to provide the best care possible for many years to come.

The SAHF's Wedding Program

The 2007-2008 fiscal year saw the launch of our Wedding Program. The growing trend for many Bride and Grooms-to-be is to forego the traditional wedding bonbonnieres in favour of making a donation to a charity in honour of their guests. It's simple, affordable and has lasting impact.

With a suggested minimum of \$2 per guest, the **Sault Area Hospital Foundation** provides the happy couple with gift acknowledgment cards they can present to their guests (see samples below). The cards can be modified to reflect the bride and groom's preferred wording and wedding decor.

We are proud to recognize the following recently united couples for their participation in our Wedding Program and wish them a lifetime of love & happiness!

Friends Forever Monthly Donor Program

We take great pleasure in presenting the 171 individuals and families who participated in our *Friends Forever* Monthly Donor Program during the period of April 1, 2007 to March 31, 2008. Currently in its sixth year, we have seen a steady increase in the number of people who recognize the need for this program and the value it brings to our hospital.

As much as the individual amounts vary, so do the reasons why our members participate:

- it's more manageable because it's spread out over time, making it easier on the budget;
- it's cost effective by reducing administrative costs e.g., paper, postage, etc.;
- it provides convenient giving options such as pre-authorized payments, credit card or post-dated cheques; and
- it's a simple and easy way to make a lasting difference in our community.

Sault Area Hospital Foundation's Tribute Gift Program

The Sault Area Hospital Foundation's **Tribute Gift Program** provides donors with the opportunity to express their joy, gratitude or sympathy by making a gift in honour or in memory of someone dear to them.

In Honour gifts are a wonderful way to celebrate a milestone or special moment such as the birth of a child, a wedding, birthday, anniversary, graduation or any other happy occasion. It is also a great way to express gratitude or pay tribute to a special someone you respect and admire.

In Memoriam gifts are often made by friends and family at funerals in lieu of flowers but, are also made throughout the year in remembrance.

Our Mission

The founding and ongoing purpose of the **Sault Area Hospital Foundation** is to raise funds for the hospital. The provincial government provides the basics in healthcare but, these basics do not include the cost of new and replacement medical equipment. Equipment and upgrades to patient care facilities and programs have always been considered a community responsibility.

To accomplish this, the Foundation seeks community involvement through donations from patients, their families and friends, businesses, service clubs and other organizations.

Privacy Statement

We do not rent, sell or trade our mailing lists. The information you provide will be used to deliver services and to keep you informed and up to date on the fundraising activities of the Foundation.
