

WHY CHOOSE THE SAULT AREA HOSPITAL FOUNDATION

- The SAHF is the only source of funding for hospital equipment purchases.
- We continue to work hard to provide the best possible care for the patients in Algoma while also recruiting and retaining physicians and health care professionals.
- Our work is never done, year after year there is new equipment, education and information technology needs.
- Many departments of the hospital have benefited from your gifts over the years through equipment purchases made by the Foundation.
- Your gift can be designated to a specific area of the hospital.

A Wedding Program by
Sault Area Hospital Foundation

SAHF

IN LIEU OF WEDDING FAVOUR OPTIONS

A growing trend in lieu of wedding favours, is for the Bride and Groom to forego the traditional wedding bonbonnieres by making a donation to a charity in honour of guests.

The Bride and Groom may also choose to indicate that the donation has been made in memory of someone dear to them.

It's simple, affordable and has a lasting impact.

For more information about the Wedding Program, donor recognition or any other SAHF program, please call (705) 759-3434 ext. 4372.

HOW IT WORKS

With a suggested minimum gift of \$2 per guest, the SAHF will provide you with gift acknowledgement cards similar to the ones shown, that you can present to your guests. The cards can be modified to reflect your preferred wedding décor and colours, and can include your own personal message.

You can choose from a tent card, table place card, bookmark, tags, poster or we will work with your ideas or suggestions. You may also choose to create your own.
